UIC comment extention request.docx

Tomas-

Thank you for your time on Friday. I look forward to hearing what you learn about how Excelsior as the applicant can obtain timely information and whether a FOIA request can be filed in a manner that makes it self-renewing. I would prefer not to be required to file a request every week.

During our call we discussed the FOIA request Excelsior filed and the response to date. Below I have copied Nancy's email exchange with Mr. Peter Dronkers. Attached is a copy of Mr. Dronkers' letter which he provided. I do not see anything in the letter which meets the standard required for exemption to the public records doctrine.

Excelsior would like to schedule a technical meeting to include ADEQ, Excelsior and EPA, including you and David Albright in addition to Ms. Rumrill and Mr. Walker. Excelsior would like this meeting scheduled in the next week or two, certainly prior to the end of the comment period. Please let me know how best to begin setting up such a meeting.

Regards,

Carla

Hi Nancy and Stephen,

I am not clear on what you were asking for, Nancy, via your voicemail, but it sounded like Excelsior FOIA'd EPA for our extension request letter and you were hoping I would provide them directly with a copy to avoid the hassle of having to issue a redacted copy?

Happy to do what's needed if you can clarify.

Also, Stephen, you can feel free to ask me directly for such things.

Thanks!
